

**Introduced by Senator Hernandez**

February 18, 2011

---

An act to amend Section 48306 of the Education Code, relating to pupils.

**LEGISLATIVE COUNSEL'S DIGEST**

SB 745, as introduced, Hernandez. Pupils: school attendance.

Existing law defines a school district of choice as one in which the governing board has, by resolution, elected to accept interdistrict transfers and has determined the number of transfers it is willing to accept through a random, unbiased process, as specified. Existing law requires a school district of choice to give priority for attendance to siblings of children already in attendance in that district. Existing law provides that a school district of choice may give priority for attendance to children of military personnel.

This bill would make a technical, nonsubstantive change to that provision.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.
